¹ Details collected on this form will be stored and used in accordance with Avdata's *Privacy Policy*.

² If this application is received before 10 August 2025 then the stated annual fee will be charged and the permit will apply to all landings by the nominated aircraft from 1 July 2025 to 30 June 2026. If a late application is made, then a pro-rata fee will be charged based on the number of months (including the current month) remaining in the financial year, and the permit will apply to all landings during this reduced period.
