

## ROTTNEST ISLAND AUTHORITY

### DEVELOPMENT PLANNING GUIDELINE No. 02

## DEVELOPMENT PLANS

---

### 1. GUIDELINE OBJECTIVES

The aim of this Development Plans Guideline is to provide Developers with the design plan requirements the RIA needs to enable an accurate and efficient assessment of a Development Application.

Development Plans submitted with a Development Application must achieve a minimum standard of presentation and detail and contain relevant information.

### 2. SCOPE

This guideline and any associated procedures and forms applies to an application for development approval.

### 3. DEVELOPMENT PLANS STYLE GUIDE

Development Plans accompanying a Development Application for approval are to:

- (a) be in hard copy on size A1 or AO sheet;
- (b) be available in soft copy in dwg. and PDF format;
- (c) be drawn with black lines and characters on a white background;
- (d) be drawn to a scale of 1:100 or 1:200;
- (e) show all measurements in the metric system;
- (f) clearly illustrate and detail the proposed development in respect of all aspects of the Development Application applies;
- (g) provide for buildings in plan view, including at a minimum:
  - the location and proposed use of any existing buildings to be retained as part of the development;
  - the location and use of buildings proposed to be constructed on the Site;
  - the location of buildings proposed to be demolished on the Site;
- (h) provide in plan view the existing and the proposed means of access for pedestrians and vehicles to and from the Site:
  - during the development stage; and

- as part of the completed development;
- (i) show the location, number and type of bicycle parking facilities intended to be provided;
- (j) show the location and details of proposed areas for stacking and loading and unloading goods or commodities from vehicles, including the means of access to and from those areas:
- during the development stage; and
  - as part of the completed development;
- (k) show the location, dimensions, design and particulars of proposed landscaping, including the retention of existing trees, vegetation, fences and walls;
- (l) include elevations, plans and sections of any building, infrastructure or landform proposed to be constructed, installed, improved, refurbished, or altered under the development;
- (m) include details of all materials proposed for construction and a schedule of finishes and external and internal colours; and
- (n) indicate any impact of the proposed development on the appearance of adjacent streets, on vegetation and buildings in adjacent streets and overshadowing caused by the development.

#### **4. DESIGN PROPOSALS AND CONCEPTS STYLE GUIDE**

Where the RIA requests submissions to a proposed development as advertised and the submission requirement calls for conceptual plans, these will be presented in the format prescribed in that advertised proposal.

Conceptual plans may include sketches, portraits, designs, models etc that are not construed as a Development Plan and do not require scaled or dimensioned details. The RIA will require, for the purpose of completing a Development Application, a suite of Development Plans that meet the requirements described in Section 3 of this Guideline.

#### **5. ROLES AND RESPONSIBILITIES**

All RIA officers, including Board members, are responsible for ensuring that a development proponent and/or an applicant for development approval has regard to this guideline in preparing either a conceptual plan or an application for development approval.

The following RIA roles have specific responsibilities for ensuring conformance with this guideline:

- **Director Contracts and Planning**

Authority to withhold the acceptance and processing of a conceptual plan or development application received by the RIA whereby the conceptual plan or application is incomplete or does not provide sufficient information as prescribed in provisions 3 and 4 of this guideline.

- **Development Planning Team**

Upon receipt by the RIA checking a conceptual plan or development application for completeness and compliance with this guideline.

## 6. STATUTORY COMPLIANCE and RELEVANT DOCUMENTATION

This guideline reflects the requirements of Clause 13 (1) of the *Rottnest Island Authority Act 1987*.

The powers and functions afforded by the relevant legislation applicable to this Guideline are detailed in RIA's Schedule of Delegations and Authorisations, under section 70, or regulation 55 of the *Rottnest Island Regulations 1988*.

## 7. EFFECTIVE DATE

This Guideline is effective from **1 January 2022**.

## 8. REVIEW PERIOD

This Guideline is to be reviewed every three years.

## 9. CUSTODIAN

The Director Contracts and Planning is responsible for the development and maintenance of this guideline.

## 10. AUTHORISATION

This Guideline details Rottnest Island Authority's requirements to be addressed in the submission of the following:

- (a) a development plan accompanying an application for development approval; and
- (b) a conceptual plan as part of a submission responding to an advertised development proposal.
